The Convention is fast approaching, and we want to take this opportunity to remind you that our Official Suppliers are here to help you prepare for PDAC 2026. Please refer to the [Exhibitor Toolkit](#) for deadlines, contact information and order forms.

Please review our [Checklist](#) to ensure you are on track with planning.

#### **VOYAGE CONTROL**

The MTCC uses an on-line loading dock booking system for reserving a loading dock date/time, powered by Voyage Control. This service helps you to reserve a time slot for moving your materials directly in and out of the MTCC loading docks. If you require loading docks or move-in and/or move-out, please visit our [Voyage Control](#) website for more information and to request a code.

#### **EXHIBITOR INSURANCE (MANDATORY)**

We also want to remind you that all Exhibitors must have exhibitor insurance. Exhibitors can use their own insurance provider or here is a link to our [Official Insurance Supplier](#). Insurance requirements are outlined in the [Exhibitor Toolkit](#).

#### **FIRE SAFETY REPLY (MANDATORY)**

Please complete and submit the [Fire Safety Reply](#) to the MTCC by **January 26, 2026**.

#### **BEWARE OF SCAMS**

Solicitation emails and phone calls are on the rise! Please remember PDAC does not sell or share attendee lists nor does PDAC use 3rd party housing bureaus who will offer you “discounts” for hotels, or booth spaces. Please book directly with the hotel. For more information on fraudulent solicitation, please visit our [privacy policy webpage](#).

Let us know if you require any assistance as you prepare for PDAC 2026. We are here to help!
