The exhibition industry is experiencing pervasive issues with fraudulent phone calls and emails. We remind you to be extra vigilant with your personal and company information. **PDAC does not share nor sell our member, attendee, or exhibitor information.** Please read more about the PDAC Privacy Policy [here](#).

These are two common ways you may be contacted:

#### **ATTENDEE LIST SCAM**

A company may contact you under false pretenses and offer to sell you an attendee or exhibitor list. **PDAC does not share nor sell our member, attendee, or exhibitor information.** As an exhibitor, the only way to obtain this information is by collecting the data yourself as you talk to attendees who stop by your booth or using the Exclusive Supplier for lead retrieval.

#### **HOTEL BOOKING SCAM**

You may be offered hotel reservation assistance and/or discounted hotel rates. PDAC hotels and agents will **not** contact you directly to book your stay. You must contact your hotel of choice directly. Please see our [hotels](#) (link to <https://pdac.ca/convention-2026/attending-2026/accommodation-and-travel-2026/hotels-2026>) page for hotel contact information. **PDAC does NOT use third party housing bureaus.**

#### **Reminder:**

- Do not provide your personal or financial information over the phone or via email
- Resist the pressure to act immediately
- Canada's anti-spam legislation (CASL) is in place to protect Canadians while ensuring that businesses can continue to compete in the global marketplace. For more information, please visit [fightspam.gc.ca](http://fightspam.gc.ca)
- Block the address and delete the email

### **OPTION TO BUILD YOUR ATTENDEE LIST**

Reminder - your company can build a list of leads obtained during PDAC 2026 by renting a lead retrieval device to scan the attendee badges of those who visit your booth. Contact your leads post-show to encourage additional ROI for your organization.

To order a lead retrieval device visit: <https://lead-order.conexsys.com/>
