# ABOUT PDAC

The Prospectors & Developers Association of Canada (PDAC) is the leading voice of the mineral exploration and development community, an industry that employs more than 665,000 individuals, and contributed \$125 billion to Canada's GDP in 2021. Currently representing over 8,000 members around the world, PDAC's work centres on supporting a competitive, responsible, and sustainable mineral sector. Please visit [www.pdac.ca](http://www.pdac.ca).

## 2025 CONVENTION PLANNING COMMITTEE

**Antoine Caté** SRK Consulting (Canada) Inc.  
**Antoine Schwartzmann** OreGroup  
**Brooke Clements** Craton Minerals Ltd.  
**Charles Beaudry** (Co-Chair) QC Copper and Gold Inc.  
**Don Hains** Hains Technology Associates  
**Doris Hiam-Galvez** Hatch Ltd.  
**Eaun Gray** Franco-Nevada Corporation  
**Ellie Owens** Auramet International  
**Enrique Mendez** MEGAM  
**Francisca Maepa** BHP  
**James Siddorn** SRK Consulting (Canada) Inc.  
**Joe Hinzer** Watts Griffis and McQuat Limited  
**John Sullivan** Mineral Exploration Consultant  
**Karl Pearce** Hatch Ltd.  
**Keith Spence** Global Mining Capital  
**Naomi Nemeth** Lavras Gold  
**Natalie Chu** Orix Geoscience Inc.  
**Nic Capps** Calibre Mining Corp.  
**Patricia Sheahan** Consultant  
**Patrick Chance** Patrick Chance & Associates  
**Raymond Goldie** Independent Analyst and Director  
**Resa Furey** Stantec  
**Robert Boyd** Endurance Gold Corporation  
**Robert Hearst** Southern Geoscience Consultants  
**Rob Stevens** Pakawau Geomanagement Inc.  
**Robert Valliant** Tri Origin Exploration Ltd.  
**Sasha (Aleksandr) Mitrofanov** Macquarie Mining Finance Canada  
**Shuda Zhou** DiscoveryPro Mining Ltd.  
**Sonia Scarselli** Endeavour Mining

## HONOURARY DIRECTORS

**Wayne Lockhart** Boiestown, NB

## STAFF

**Addison Pennie** Coordinator, Student & Early Career Program  
**Alex Zhoravovych** Coordinator, Communications  
**Alexandra Armstrong** Analyst, Indigenous and Regulatory Affairs  
**Alissa Nardini** Coordinator, Convention Exhibits  
**Amit Kumaria** Manager, Business Development & Strategic Partnerships  
**Amy Buchanan** Manager, Convention Exhibits  
**Andrea Murdoch** Executive Assistant  
**Andy Stanleigh** Publications Editor & Designer  
**Ariya Andrighetti** Manager, Convention  
**Christy Clough** Coordinator, Convention  
**Curtis Byron** Web Coordinator  
**Florence MacLeod** Manager, Member Engagement & Outreach  
**Gillian Blakey** Coordinator, Convention Exhibits  
**Jeff Killeen** Director, Policy & Programs  
**Joan Leslie** Chief Accountant

**Krishana Michaud** Manager, Student & Early Career Program  
**Kulpreet Thukral** Coordinator, Membership  
**Lisa McDonald** Executive Director  
**Louise Healion** Office Assistant  
**Lynda Joyet** Senior Manager, Convention Events and Sponsorship  
**Lynn Bodwell** Convention Marketing Lead  
**Madina Kaytmazova** Manager, IT & Administration  
**Maria Avramova Milanova** Director, Operations & Human Resources  
**Marion Olivier** Analyst, Critical Minerals, Geoscience & Innovation, Health & Safety  
**Maureen Owens** Coordinator, Convention Programming  
**Michael D'Amelio** Coordinator, Convention Programming  
**Nicole Kulp** Analyst, Sustainability  
**Nicole Sampson** Director, Convention  
**Patricia Tucci** Coordinator, Convention Events & Sponsorship  
**Petrona Tulloch** Staff Accountant  
**Ran Maoz** Analyst, Tax Policy & Capital Markets  
**Romika Leslie** Coordinator, Sponsorship  
**Sandra Doig** Coordinator, Membership  
**Sarah Nazar** Manager, Convention Programming  
**Scott Barber** Senior Manager, Communications  
**Stefanie Wolf** Manager, Convention Operations  
**Steve Shapka** Analyst, Government Relations  
**Vinukshan Pathmanathan** Office Systems Coordinator

# ACCESS PASS INFORMATION

**CONVENTION LOCATIONS**  Metro Toronto Convention Centre (MTCC), 222 Bremner Blvd.  
Fairmont Royal York Hotel, 100 Front St. W.

## WEAR YOUR PASS AT ALL TIMES!

You will not be permitted entry past Level 600 security or allowed entry into our events at the Fairmont Royal York Hotel without a pass. All pass categories may also attend non-ticketed Presentation & Reception Rooms.

By entering the event premises, you consent to photography and its release, publication or reproduction to be used for news, promotional purposes, advertising, inclusion on websites, social media, or any other purpose by PDAC and its partners. Please speak with the photographers and filmmakers directly if you do not wish to be photographed or filmed. Photography is supplied by [www.indigoevents.ca](http://www.indigoevents.ca).

Your pass will be scanned during the convention and contact details will be collected for PDAC marketing purposes.

# Teck

# HEALTH AND SAFETY

## EMERGENCIES

In the case of a fire alarm, the MTCC operates a two-phase alarm system:

### Stage 1: Slow beeping sound, alert signal

- Remain calm
- If the alarm is beeping slowly, this is a warning
- Do not evacuate the building at this stage
- Await instructions to be announced over the intercom (this will take approximately one minute) or speak to Security Staff

### Stage 2: Fast beeping sound, evacuate signal

- Only evacuate the building if instructed to do so over the intercom or by Security Staff
- Leave the building via the nearest exit or the closest emergency stairwell
- Fire exits are highlighted in yellow on the floor plans that can be found on Pages 13-15
- Do not use elevators
- If you encounter smoke in the stairway, use an alternate exit
- Once outside, stay clear of the building to permit emergency access
- Do not attempt to remove vehicles from parking garages or loading docks
- Do not return until declared safe by the Fire Official

## Medical Emergency

In the event of a medical emergency:

- Dial 416 585 8160 or 8160 on any MTCC house phone
- MTCC Security will respond and assess the situation
- If required, the MTCC Nurse will be called to the scene by MTCC Security
- If required, MTCC Security will call ambulance

## NURSE'S OFFICE

📍 South Building, Level 800,  
North Building, outside Room 203C

### FRIDAY-SATURDAY

North & South Buildings | 8 a.m. – 6 p.m.

### SUNDAY

North Building | 7 a.m. – 5:30 p.m.  
South Building | 7 a.m. – 6 p.m.

### MONDAY-TUESDAY

North Building | 9 a.m. – 5:30 p.m.  
South Building | 9 a.m. – 6 p.m.

### WEDNESDAY

North & South Buildings | 8 a.m. – 8 p.m.

Staffed by Registered Nurses who are capable of responding to a variety of emergency situations, and can also administer over-the-counter and prescribed medications to attendees. Stations are stocked with AED defibrillators and may also be used for breastfeeding.

## ATTENDEE CONDUCT

PDAC is committed to providing a positive experience for all participants, and expects attendees to show respect and courtesy toward one another at all official PDAC Convention events.

We aim to provide a safe, inclusive environment. If you witness or feel that you are the subject of unacceptable behaviour, you may:

- File a report with security; or
- Report an incident using our confidential and anonymous reporting system. Reports can be filed through a secure website or using a dedicated hotline

For our policy and more information, including incident reporting, visit:

[www.pdac.ca/convention/code-of-conduct-2025](http://www.pdac.ca/convention/code-of-conduct-2025)

The future of responsibly produced resources is clear.

It's happening now at BHP.

As the world continues to grow and urbanize, so does the need for essential resources to be responsibly produced.

Resources like copper needed to help build infrastructure and potash to help grow more of the food we need.

This is what BHP is committed to, wherever we operate.

Learn more at [bhp.com](http://bhp.com)

**BHP** | A future resources company

# SERVICES ONSITE

[www.pdac.ca/convention/services-onsite-2025](http://www.pdac.ca/convention/services-onsite-2025)

## ACCESSIBILITY

PDAC 2025 is accessible! Visit our website to learn about what we're doing to make our programming accessible, or request an accessibility accommodation to meet your individual needs. The MTCC is a barrier-free, fully accessible environment that is close to accessible public transit.

[www.pdac.ca/convention/accessibility-2025](http://www.pdac.ca/convention/accessibility-2025)

## AMBASSADOR PROGRAM

Sponsored by

**IAMGOLD**  
CORPORATION

Look for Ambassadors dressed in gold T-shirts and caps. They will help get you where you need to go and answer your questions.

## CLEAN ENERGY INITIATIVE

Sponsored by

**Teck**

As part of an initiative to move towards a more sustainable convention, PDAC will use Bullfrog Power—a clean energy solution. Bullfrog Power provides the ability to offset all greenhouse gas emissions created by our convention by purchasing renewable energy. Bullfrog ensures that for every kWh of electricity used, a kWh of pollution-free, natural, renewable source is put back into the grid on our behalf. Bullfrog Power will inject renewable electricity onto the regional grid to match the amount our event uses.

## COAT CHECK

North Building, Level 100, near Room 104  
South Building, Level 500, Room 501

### SUNDAY

North Building | 7 a.m. – 9 p.m.  
South Building | 7 a.m. – 6 p.m.

### MONDAY

North Building | 7 a.m. – 9 p.m.  
South Building | 7 a.m. – 6 p.m.

### TUESDAY

North Building | 7 a.m. – 6 p.m.  
South Building | 7 a.m. – 6 p.m.

### WEDNESDAY

North Building | 7 a.m. – 1 p.m.  
South Building | 7 a.m. – 1 p.m.

## FREE HEADSHOTS

North Building, Trade Show North, Booth 6134N

Sponsored by

**MAJOR**  
*Drilling*

Need an updated headshot? Take advantage of this service, right on the Trade Show North floor. Your professional photo will be emailed to you in real time. Perfect for websites, social media, business cards and more.

## FREE WI-FI

Sponsored by

**BHP**

Available throughout the MTCC, Friday – Wednesday (limited access in the exhibit halls)

Wi-Fi password: **pdac2025**

# SERVICES ONSITE

[www.pdac.ca/convention/services-onsite-2025](http://www.pdac.ca/convention/services-onsite-2025)

## LOUNGES

### CHILL & CHARGE LOUNGE

📍 South Building, Trade Show, Booth 1300

Sponsored by

**RioTinto**

Looking to recharge your devices and stay connected while networking and exploring the exhibit hall? Equipped with a variety of charging stations compatible with all types of devices, the lounge offers a convenient and comfortable environment for visitors to take a break and power up.

### LEASE BONUS LOUNGE

📍 South Building, Investors Exchange, Booth 3207

Sponsored by

**SLS**  
GROUP

Lease Bonus Lounge is a great place to get off your feet and take a break!

### RECHARGE HUB

📍 South Building, outside Room 718

Sponsored by

**HUBBAY**

Want to relax and recharge? Visit the Recharge Hub equipped with charging tables to charge your mobile device. A great location to unwind or meet with colleagues and peers.

### TALENT LOUNGE

📍 North Building, Trade Show North, Booth 7702N

Sponsored by

**RioTinto**

Are you a student, someone early in your career journey, or someone with 15 years' experience? This is an open and inclusive space to learn about Rio Tinto's values, and a resource for all attendees to get a sense of career paths at Rio Tinto.

### VIP LOUNGE

📍 South Building, Room 602

Sponsored by

**nexa**

Only VIP All Access Pass holders have access to this private and exclusive lounge. While in the lounge, take advantage of:

- Daily continental breakfast, morning and afternoon coffee breaks, and a light lunch
- Administrative support, including scanning and photocopying
- Seven free semi-private meeting rooms for up to 10 people. Reservations required (non-VIP attendees permitted in the meeting rooms)

See the attendants to book beginning Sunday. Space is limited.

## INVESTMENT HUB

📍 South Building, Investors Exchange, Booth 3321

Lounge Sponsored by

**VRIFY**

Theatre Sponsored by

**THE LIND**  
PARTNERS

The lounge is located beside the theatre that will house the Investment Leaders Forum and CPFI presentations. Make sure to check out this programming for valuable insights. Continue your investment conversations in the welcoming lounge space.

## MEDIA CENTRE

📍 South Building, Room 601

**SUNDAY – TUESDAY** | 8 a.m. – 5:30 p.m.

**WEDNESDAY** | 8 a.m. – 12:30 p.m.

Accredited media only

## MOBILE EXPERIENCE

Sponsored by

**BHP**

Use your mobile device to easily browse up-to-date convention information including:

- Programming
- Exhibitor directory
- Events & Networking
- And more...

[www.pdac.ca/convention-2025](http://www.pdac.ca/convention-2025)

## NORTHERN LIGHTS LEARNING HUB

📍 North Building, Trade Show North, Booth 7718N

Sponsored by

**SOUTH32**

This new addition to the Trade Show North will host important segments of programming, such as the Exhibitor Spotlight presentations, as well as Master Class Series sessions. Attendees are welcome to stay between sessions as the space will be used as a casual lounge for seating while visiting the many exhibitors.

## NORTH MEETING SPACE

📍 North Building, Level 200, Room 201

Sponsored by

**RioTinto**

Looking for free meeting space? These semi-private meeting rooms are available for one-hour bookings per day, per attendee.

**Visit website** for booking links or visit the meeting room attendant onsite.

## QUIET SPACE FOR MEDITATION, PRAYER OR REFLECTION

📍 North Building, Level 200, Room 201 (check in with the attendant)  
South Building, Level 600 Foyer, near exit to parking garage

This space is available to everyone for meditation, prayer and quiet reflection. Please be mindful of others that are using the space. All are welcome. Food and beverage is not permitted.

# SERVICES ONSITE

[www.pdac.ca/convention/services-onsite-2025](http://www.pdac.ca/convention/services-onsite-2025)

## PLACES TO EAT

### SUNDAY – WEDNESDAY

MTCC food vendors have a cashless payment system. Debit and credit cards will be the only form of payment available.

### 700 CAFÉ & LOUNGE

South Building, Level 700, Foyer

Sponsored by

Hot and cold beverages, including speciality coffee, sandwiches, pastries and prepackaged snacks. There is also a seating area for attendees.

### FOOD PAVILION

South Building, Level 800, Hall D and Foyer

Sponsored by

Hot and cold beverages, sandwiches, pastries, prepackaged snacks, salads, pizza, crepes, sushi, gyro, falafel, and grilled items. As well, there is a large seating area for attendees.

### SOUTH32 CAFÉ & LOUNGE

South Building, Level 800, Foyer

Sponsored by

Hot and cold beverages and prepackaged grab and go items, plus a great seating area for attendees.

### NORTH EATERY

North Building, Level 300, Trade Show North (South end of Hall B)

Sponsored by

Hot and cold beverages, sandwiches, salads, freshly baked items, prepackaged grab and go items including sushi, and a new vendor selling Korean street food. A seating area for attendees is available.

[www.pdac.ca/convention/places-to-eat-2025](http://www.pdac.ca/convention/places-to-eat-2025) For more details about the food offerings and hours of operation

## REGISTRATION

North Building, Level 200  
South Building, Level 600

Sponsored by

FRIDAY, SATURDAY | 7 a.m. – 6 p.m.

SUNDAY – TUESDAY | 7 a.m. – 5 p.m.

WEDNESDAY | 8 a.m. – 12 p.m.

## SESSION FEATURES

South Building, Level 700

**Translation:** Automatic Speech Recognition (ASR) will be provided for all programming and Short Courses in the South Building. ASR uses artificial intelligence technology to process human speech into readable text. Available on your personal device for real-time translation of sessions into over 130 languages.

**Room Monitors:** PDAC is introducing attendants in most sessions on Level 700 to assist with seating and room capacity limits to ensure compliance with fire regulations. All rooms have limited capacity so please plan to arrive early to secure a seat.

Accessible seating is available. Please identify yourself to staff at the door for access.

## SHOE SHINE STATION

South Building, Investors Exchange, Booth 2405

Sponsored by

Enjoy a complimentary shoe shine in between your business meetings.

## SME BOOKSTORE

South Building, Level 800, Foyer

Discount prices for PDAC attendees!

The Society for Mining, Metallurgy and Exploration (SME) is back with their bookstore. Take advantage of show pricing from the most prestigious book publisher in the industry. Several new books will be showcased. Come early! Supplies are limited. Please note sales are in US Dollars.

## SOUTH MEETING SPACE

South Building, Level 800, Room 803

Sponsored by

Looking for free meeting space? These semi-private meeting rooms are available for one-hour bookings per day, per attendee.

Visit [website](#) for booking links or visit the meeting room attendant onsite.

## SUSTAINABILITY EFFORTS

PDAC takes pride in consistently improving its environmental stewardship. For PDAC 2025, we've elevated our commitment to sustainability, emphasizing both waste reduction and energy conservation.

[www.pdac.ca/convention/sustainability-2025](http://www.pdac.ca/convention/sustainability-2025)

## WATER STATIONS

South Building, Investors Exchange, Booth 3218  
South Building, Trade Show, Booth 1445  
North Building, Trade Show North, Booth 7734N

Sponsored by

Fill up your water bottle or drink from the fountain at one of the three water stations.

TOGETHER  
WE'RE  
MINING  
BETTER

The business of mining is constantly changing and you're always on the lookout for new ways to mine better.

We continually look for ways to improve our offerings and provide better solutions for the mining industry — from quality machines and innovative technologies, to beyond-the-iron services and support solutions that leverage the broad expertise of our mining organization.

No matter the size, type or complexity of your operation, our goal is to help you optimize your equipment, people and overall operation. We appreciate the strong relationships we have with our customers and the industry as a whole. And we are grateful that you choose to partner with us in so many ways.

# Focused on unlocking the full potential of our assets.

We are focused on growing our gold reserves and production in mining-friendly jurisdictions that offer rich geological potential and where we have built a competitive advantage. We add value through our exploration and mine-building expertise, and we are well positioned to continue building on our existing assets and pipeline of high-quality projects.

We make mining work.

## THE CANADIAN MINING ADVANTAGE

- Abundant Resources and Global Production
- Regulatory Certainty and Tax Incentives
- Secure and Profitable Investment Opportunities

Empowering innovation, fostering sustainability.

[InvestCanada.ca](http://InvestCanada.ca)

## L'AVANTAGE MINIER AU CANADA

- Ressources abondantes et production mondiale
- Certitude réglementaire et incitations fiscales
- Opportunités d'investissement de premier choix

Encourager l'innovation, favoriser la durabilité.

## 2025 MARY-CLAIRE WARD GEOSCIENCE AWARD WINNER

This year's recipient of the Mary-Claire Ward Geoscience Award is Maggie Laverge of Laurentian University. Maggie's M.Sc. thesis examines the structural controls on gold mineralization at the Great Bear deposit, located 25 km south of Red Lake in northwestern Ontario. Her research integrates detailed outcrop mapping, regional structural mapping, petrography, and U-Pb geochronology. The study aims to establish the deposit's structural evolution, identify controls on mineralization, and contextualize it within the Red Lake Greenstone Belt, while also providing both relative and absolute timing constraints on gold mineralization.

The award is administered by the Geological Association of Canada (GAC), the Prospectors & Developers Association of Canada (PDAC), the National Geological Surveys Committee, the Canadian Geological Foundation, and Watts, Griffis and McQuat Ltd.

 **2026 application details will be posted at [www.pdac.ca](http://www.pdac.ca) and [www.gac.ca](http://www.gac.ca) on October 1, 2025.**

## THANK YOU FOR YOUR SUPPORT!

Mining Matters greatly appreciates the contributions from the minerals and aggregates industries, individuals, foundations, communities, corporations and governments. Your generosity supports all aspects of our program development and implementation.

Our mission is to educate young people to develop knowledge and awareness of Earth sciences, the minerals industry, and their roles in society. Since inception, Mining Matters has reached an estimated 900,000 teachers, students and members of the public across Canada with its hands-on resources and innovative teaching materials.

### Precious Metals (\$100,000+)

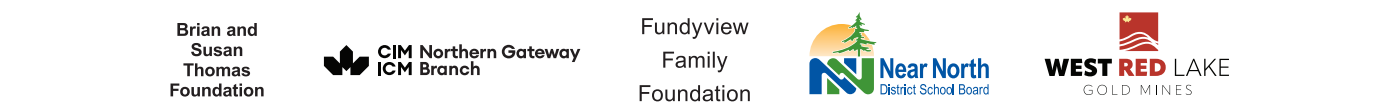

### Platinum (\$20,000 to \$99,999)

### Gold (\$10,000 to \$19,999)

### Silver (\$5,000 to \$9,999)

Every effort has been made to ensure the accuracy of the contributions received in fiscal 2023-2024. Please accept our apologies if an error or omission has been made and contact us in order to correct. See a complete list of all contributors at [MiningMatters.ca](http://MiningMatters.ca). | Charitable Registration Number: 88775 6435 RR001

## INDIGENOUS ARTISANS

📍 Trade Show North, Level 300, Booths 7706N-7714N

We encourage attendees to visit this series of booths in Trade Show North showcasing and selling the diverse work of incredible artisans from around the country.

[www.pdac.ca/convention/indigenous-artisans-2025](http://www.pdac.ca/convention/indigenous-artisans-2025)

## PDAC-SEG STUDENT MINERALS COLLOQUIUM (SMC)

📍 Trade Show North, Level 300, Hall B

The SMC brings together geoscience students and industry professionals to highlight innovative student research on projects essential for the successful evolution of the modern mining industry. This event provides industry professionals with an opportunity to support and stay current with ongoing international research from students across the world.

[www.pdac.ca/convention/student-minerals-colloquium-2025](http://www.pdac.ca/convention/student-minerals-colloquium-2025)

## ROYAL ONTARIO MUSEUM (ROM)

📍 Investors Exchange, Level 800, Booth 3315

The ROM is the largest museum in Canada. From one of the world's most important geological collections, select samples will be on display. See critical minerals, cultural objects, the Kirwin collection and more—this is a can't miss attraction.

[www.pdac.ca/convention/royal-ontario-museum-2025](http://www.pdac.ca/convention/royal-ontario-museum-2025)

## THE NORTHERN ONTARIO MINING SHOWCASE (NOMS)

📍 Trade Show North, Level 300, Booth 6501N

We are pleased to welcome back NOMS, the largest pavilion at PDAC. It will feature over 110 exhibitors with interactive displays showcasing innovative products and services to help plan, build, maintain and rehabilitate projects around the world. The pavilion also hosts a speaker series featuring presentations and panels on topics related to the growth and sustainability of the industry.

# EXHIBITOR SPOTLIGHT

Not sure where to begin on the exhibit floor? These must-see interactive and experiential booths are sure to be the highlight of your visit. All presentations will be held in the Northern Lights Learning Hub in Trade Show North. Please refer to the Schedule at a Glance for session times.

[www.pdac.ca/convention/exhibitor-spotlight-2025](http://www.pdac.ca/convention/exhibitor-spotlight-2025)

## Abitibi Geophysics

Trade Show, Booth 1329

Abitibi Geophysics showcases a cutting-edge suite of geophysical services and technologies that drive exploration success. See their revolutionary AeroVision drone system up close and experience how it redefines precision in magnetic exploration with ultra-low-altitude UAV technology. They also feature ground gravity surveys, now widely adopted for identifying lithium-bearing pegmatites in covered terrains, and their GraviLog™ borehole gravity system, advancing monitoring solutions for carbon capture and storage (CCS). Be among the first to explore the next-generation DasVision Pro 3D IP system, set to launch in 2025, featuring real-time data and inversion results with speed and accuracy, showcased in their famous LEGO display!

## AT<sup>2</sup> Aerospace

Trade Show North, Booth 7415N

AT<sup>2</sup> Aerospace has an eye-catching, conversation-starting exhibit designed to spark curiosity about hybrid airship capability. The centrepiece is their interactive flight simulator. Attendees are welcome to try it out. AT<sup>2</sup> Aerospace is eager to tell you more about their innovative approach to aerial transportation. Walk away with a sense of wonder and a desire to discover what AT<sup>2</sup> Aerospace is all about.

## Capacitor Metals Corp.

Investors Exchange, Booth 2819

Tantalum is a critical mineral essential for the functioning of the modern world. Aerospace, biomechanics and, most critical of all, modern electronics are completely dependent upon tantalum because of its extreme heat tolerance, biocompatibility and remarkable capacitance (the ability to store and release electricity). One simple example of tantalum's importance: without it your cellphone would be the size of the old Gordon Gecko 1980's "brick". Capacitor Metals will display of historic mobile phones and supporting materials is guaranteed to evoke lively conversation and nostalgic memories for many.

## Cascade Copper Corp.

Investors Exchange, Booth 2805

Cascade Copper is an exploration company focussed on highly prospective copper projects in British Columbia and Ontario. Cascade has five projects in total, with four located in British Columbia and one in Ontario. The majority of the copper projects are copper porphyry, with gold, silver and molybdenum as associated metals. Cascade Copper has helped develop an innovative technology that combines pXRF and Hyperspectral field analysis with cloud-based machine learning that will accelerate discovery. Cascade Copper will demonstrate this technology at their booth.

## BUILD YOUR NETWORK: EXPLORE PDAC MEMBERSHIP

Photo by Chris Brown

As a PDAC Member, you'll connect with over **8,000** passionate individuals from around the world. Individual and Corporate members enjoy a range of valuable benefits, including:

**Exclusive Discounts:** Enjoy reduced rates on convention exhibits, registration, and short courses

**Advocacy Activities:** Get involved in our government advocacy and stakeholder engagement initiatives

**Networking Opportunities:** Attend exclusive events aimed at building connections within the industry

**Voting Rights:** Have a say in board elections and at our Annual General Meeting

**Industry Insights:** Gain access to essential research, reports, and toolkits to stay informed

**Specialized Insurance Programs:** Take advantage of insurance solutions designed for our members

**Support for Students:** Continue learning and enhance career prospects with access to financial assistance

# EXHIBITOR SPOTLIGHT

## Comacchio SPA

Trade Show, Booth 1215

Comacchio provides sustainable solutions with machines equipped with electric power packs, highlighted by their flagship model, the eGEO 450, a fully electric rig now operating in the UK. Comacchio offers the widest

range of hydraulic drilling rigs on the market, featuring over 80 models from two to 85 tons. This includes crawler hydraulic rigs, truck-mounted, and excavator-mounted rigs designed for a wide array of applications across foundation drilling, geotechnics, mineral exploration, water wells, and geothermal drilling.

## Dassault Systèmes

Trade Show North, Booth 6311N

Dassault Systèmes is transforming the mining industry with the 3DEXPERIENCE platform. Their strong footprint in mining is characterized by innovative technologies, comprehensive solutions, and commitment to supporting mining companies in optimizing their operations and addressing industry challenges effectively. Learn how to empower operations with Virtual Twin experiences offering innovative solutions for the mining industry, enabling companies to rethink models, processes, and business strategies to drive sustainable innovation. These cutting-edge tools allow users to develop and maintain cross-disciplinary virtual twins, transforming the future footprint of mining operations.

## Dynamics G-Ex North America

Trade Show North, Booth 6125N

Their exhibit is a hands-on, interactive experience of global best practices in drill core processing. Attendees will 'fly' through a virtual reality optimal core shack design, and experience a live demo of the latest software, data management and AI applications for the complete core processing system. A range of products will be available, that bring to life global best-in-class solutions for safe and efficient handling of core, and the accurate measurement and analysis of samples. This includes the latest 'sub zero' rated polymer core boxes, ergonomically angled core racking, an industry leading automatic core saw, and SG measurement and core photography stations.

## Endomines Finland Oyj

Investors Exchange, Booth 3047

A gold mining and exploration company, Endomines Finland Oyj invites attendees to fall in love with Finnish gold. Be greeted by smiling Finnish experts who are happy to share Endomines' inspiring story and future plans. Come and hear why Finnish gold potential is so significant. Finland and the Karelian Gold Line are considered intriguing and largely unexplored gold mining regions still not widely recognized.

## Exyn Technologies

Trade Show, Booth 1238

Experience a live demonstration of the Nexys—Exyn's modular payload for autonomous robotic navigation and mapping—collecting a real-time, colorized point cloud which can be processed and exported directly onsite. Chat with the team of Exyneers to learn more about how autonomous robotics and 3D SLAM mapping can update surveying workflows by mapping hard to reach areas, and making quick 3D map captures simple and efficient. Hear from Exyn's customers and channel partners who can speak to the Nexys' level of autonomy and ease of use operating underground, above ground, and all over the world.

## GeoClerk

Trade Show North, Booth 6727N

Introducing GeoBot, a state-of-the-art AI assistant powered by Retrieval-Augmented Generation technology, harnessing the extensive GeoClerk database to answer the most challenging geological inquiries instantly. Try GeoClerk's interactive "Stump the GeoBot" challenge! If GeoBot can't provide a satisfactory answer, you will be entered into a draw for a major prize! As well as testing the limits of AI, delve into the rest of the GeoClerk information suite, with unparalleled access to comprehensive exploration data across Canada and Australia. Their platform empowers geoscientists with swift, actionable insights that accelerate exploration success.

## iMakerXR

Trade Show North, Booth 7230N

Experience the future of mining first-hand by immersing yourself in iMakerXR's state-of-the-art VR experiences:

- Deep dive into African gold mines: Descend over 1,500 meters underground to visualize complex ore bodies and intricate tunnel networks
- Soar above Alaskan copper pits: Fly over vast open-pit mines, analyze drill hole data, and witness the reclamation process
- Master underground safety: Learn essential safety protocols in realistic virtual mine environments, including identifying potential hazards like roof collapses
- Perfect your PPE skills: Practice proper personal protective equipment usage through interactive assessments

Beyond VR, explore iMakerXR's stunning 3D animations showcasing global mining projects. VR experts will be on hand to answer questions and guide you through these immersive experiences.

## People-Powered Solutions

Trade Show North, Booth 6308N

In mining, losing great talent is more costly than striking an empty vein—turnover costs can soar to 200% of an employee's salary! With one in four workers looking for their next gig, creating a workplace culture that keeps talent engaged isn't just a nice-to-have; it's a must. Discover The Happiness Factor Culture Check, a quick yet powerful tool that reveals how culture stacks up across ten essential needs, including clarity, work-life balance, and recognition. Come by for a mini Culture Check, explore The Happiness Factor book, and chat with the team about leadership development, conflict resolution, and other services designed to help keep a skilled, committed crew.

## Puma Exploration Inc.

Investors Exchange, Booth 2152

Looking for an exploration team who thinks outside the box and isn't afraid to rethink traditional ways to develop a project? Meet team Puma! In less than four years and with only \$12.5 million of investment, Puma secured a

\$16.75 million Option Agreement with Kinross Gold and is set to develop Canada's next gold camp in Northern New Brunswick. This team's DEAR strategy of "Development", "Exploration", "Acquisition" and "Royalties" ensures that it is constantly on the lookout for innovative ways to maximize shareholder value while minimizing share dilution. So if you're tired of the same old, same old...and looking for a team that isn't afraid to challenge the kid pro quo, meet team Puma!

## RadiXplore

Trade Show North, Booth 7526N

Imagine unlocking the mineral exploration secrets hidden in historic open file reports, handwritten field notes, and hand-drawn maps spanning 200 years—over 50 million pages of unstructured data. These documents hold the combined knowledge and experience of tens of thousands of past explorers across Australia, Canada, and the Middle East. The repository growing daily with modern exploration data, images, company announcements, and stock exchange news. How long would it take to analyze all this data to pinpoint the next big deposit? RadiXplore has curated these datasets into an AI powered Geoscience Search platform. This isn't just another AI tool like Copilot or ChatGPT—it's an exploration game-changer. The platform connects an explorers unique geoscience knowledge to the AI to map unrecognized mineral deposits buried in unstructured documents across continents.

## Soft dB

Trade Show, Booth 841

Soft dB is a leader in noise and vibration solutions for the mining industry. With nearly 30 years of expertise, they offer comprehensive services and cutting-edge technologies to keep noise and vibration challenges

under control. Discover the Watch Noise & Vibration Monitoring Station, now with added unique features. Designed for applications such as blast monitoring, their station works seamlessly with their cloud-based platform to simplify station management, provide automated alerts, generate detailed reports, and include continuous audio recordings—essential for community relations management. Explore the custom noise control blankets in action during a live mini-drill demo. Meet with experts and learn how Soft dB's innovative, turnkey solutions can help achieve peace of mind for mining projects.

# PROVIDING THE METALS THAT MATTER

Teck responsibly produces the essential metals for global development and the energy transition with its world-class copper and zinc operations and an industry-leading copper growth pipeline.

Learn more at [teck.com](https://www.teck.com)

A woman is shown in profile, holding a smartphone up to take a picture of a sunset. The sun is low on the horizon, creating a bright, golden glow that silhouettes her and the phone. The background is a clear blue sky with some light clouds.

Teck
